## Bar Payment Structures

We offer diverse payment models to suit hosts' preferences and budgetary considerations:

- **Open Bar (Hosted Bar):** The host assumes responsibility for all beverage charges, facilitating an inclusive environment where guests need not pay individually.
- **Consumption-Based:** Charges reflect only the actual volume of alcohol served, offering cost-efficiency for hosts.
- **All-Inclusive Package:** A fixed per-guest rate ensures predictable costs and unlimited drink access within a defined timeframe.
- **Limited Bar (Modified Host Bar):** The host covers selected drink categories (e.g., beer, wine, signature cocktails), with guests covering additional choices.
- **Drink Tickets:** Guests receive a set of complimentary drinks via tickets; subsequent drinks operate on a cash bar basis.
- **Host-to-Cash Bar Transition:** Host coverage applies for a specified period before shifting to guest-paid purchases.
